

Why MetLaw makes sense

Having an experienced attorney when you need one may cost less than you think.

Navigating through some of life's important moments such as buying a home, creating a will, or dealing with an identity theft matter can be overwhelming, especially if you can't find an attorney that meets your needs or your budget. Now you can take advantage of MetLaw, a legal services plan from Hyatt Legal Plans, a MetLife company, to get convenient access to comprehensive legal services at an affordable cost.

Your choice of experienced attorneys.

With MetLaw, you can access a network of local credentialed Network Attorneys who have an average of 25 years of experience. You can also choose to work with an out-of-network attorney and may be reimbursed according to a set fee schedule.¹

Your employees will be responsible to pay the difference, if any, between the plan's payment and the out-of-network attorneys charge for services.
